This is a delicious burger recipe that we got from Andy and Irene at York Farm in Hutchinson, MN. It was passed along to them by their CSA member, Beth. At any rate, it is the best turkey burger we have ever had!

Asian Turkey Burger

1 lb. lean ground turkey or chicken

½ c breadcrumbs

1 egg

3 green onions, chopped (or use 1 small onion, minced)

2 Tbsp. Sweet Chili Sauce (you can substitute Ketchup and red pepper flakes)

2 cloves garlic, or one long garlic scape, chopped

½ C fresh parsley, chopped

½ c fresh cilantro, chopped

1 Tbsp. fresh grated ginger

Salt and pepper to taste

Mix everything together, form into patties, and grill. Serve on a bun topped with Wasabi Sauce (We like to mix wasabi with plain Greek yogurt for a tasty and creamy sauce). Lettuce, fresh tomato or arugula are also nice additions to serve with it.
